Attention Elizabeth Appel,
I Mandy Dawn Nickerson, enrolled member of the Gros Ventre Tribe from Fort Belknap, Montana and I am Blackfeet from Heart Butte, Montana. Want you and this government to know that I "Do" support the CA Indian Tribes Draft to become Federally Recognized.

It disturbs me when I see how this Country more concerned about Illegal Immigration Reform before taking care of it's own Citizens, the "First Americans" in CA. This Government has a long history of avoiding us and putting our issues on the back burners.

Do know we (Native People) will continue to get the word out around this Country so more, and more U.S. Citizens Will come on board. This constant disrespect of Natives needs to stop! It's time to give them their place in the Country.

I just found this today, and I know that the deadline was August 16, 2013, but I decided to send this email anyway, and do know you will get more from those of us who just now found this out. Thank you for your time and a have a blessed day.

Best Wishes,
Mandy Dawn Nickerson
